#### **1.0 PETKIT FRESH Smart Digital Bowl User Guide:**

The below user guide will walk you through proper setup and installation instructions.

##### **1.1 Components:**

1 (Piece) PETKIT FRESH Digital Pet Bowl. 2 (Pieces) AAA Batteries. 1 (Piece) included screwdriver.

#### **2.0 Device Setup and Getting Started**

Using the included screwdriver, open and insert the included battery inside the PETKIT Fresh Bowl, please fasten tightly to prevent any water from entering.

##### **2.1 Application Installation**

If you're using an Apple IOS device visit the 'App Store', and if you're using an Android device visit the 'Google Play' store. In the search field type "Petkit". Once you've located the application, proceed to download the App. Please note, the application does not bind / pair to your device however enables users to chat with other users and gain feeding recommendation amounts based off of the weight, active levels, and breed of your dog or cat.

##### **2.2 Create a profile**

Prior to pairing your device you'll be prompted to create a profile or multiple profiles for your pet/s, such as nickname/s, breed, birthday, weight, profile photo, and active levels.

#### **3.0 Warranty**

If product is proven damaged, defective or broken, manufacturer will provide a 1 Year Warranty from date of purchase with proof of purchase. Please reach out to us via email at [info@petkit.us](mailto:info@petkit.us). Include place of purchase, order number, date of purchase and reason for the return. A member of our troubleshooting team will try to resolve any malfunctions. Once we process the return, we'll issue a return label and adjust payment as needed.

The device has been approved for use in EU countries and is therefore provided with the **CE mark**. All necessary documentation is available on the website: [www.electric-collars.com](http://www.electric-collars.com)  
Changes to technical parameters, properties and printing errors reserved.
