Features

- Synthetic Grass is easy to clean
- Collection Bin provides easy waste disposal and holds up to 2 litres of liquid
- Durable, long lasting base
- Slanted Tray channels urine to the Collection Bin
- Includes one (1) Pee-Pod™ Collection Tray with Wee Sponge™ Urine Absorption Powder for odour control and easier waste disposal

How the System Works

Pet Loo™ Portable Pet Toilet by PetSafe® will contain your pet's waste in one designated area and will ensure your peace of mind on those extended stays out of the home. Whether you live in an apartment or a house, take your dog to the office, or simply want to leave those toilet training headaches behind, the Pet Loo™ Portable Pet Toilet is a hygienic, convenient, simple, and environmentally friendly way to allow your pet the freedom to do his business without relying on you for an opportunity.

Pet Loo™ Portable Pet Toilet by PetSafe® is a draining system for urine that resembles a patch of grass. The heavy-duty frame includes a Slanted Tray, soak-through Synthetic Grass, and a Collection Bin. The urine seeps through the Synthetic Grass, runs down the Slanted Tray, and collects in the removable Collection Bin. The Collection Bin slides out for easy disposal and cleaning, and solids can be easily scooped from the Synthetic Grass.

Alternate with Replacement Grass (sold separately) when cleaning and drying soiled grass.

The Pee-Pod™ Collection Tray is a degradable container that fits neatly inside the Collection Bin of the Pet Loo™ Portable Pet Toilet. When Wee Sponge™ Urine Absorption Powder comes into contact with liquid waste, it rapidly absorbs the urine and turns it into a solidified gel, also trapping any airborne odours.

Prepare the Pet Toilet

The Pet Toilet comes mostly assembled. The following must be done to complete the assembly:

1. Attach the four (4) Grass Holder Clips by snapping the bottom of the clips onto the edge of the Slanted Tray. The top of the clips have a spike that attaches onto the grass (**Fig. 1**). Attach two clips on opposite sides as shown (**Fig. 2**).
2. The unit comes with one sample Pee-Pod™ Collection Tray and a single packet of Wee Sponge™ Urine Absorption Powder. Pour packet of Wee Sponge™ Urine Absorption Powder into the pink Pee-Pod™ Collection Tray.
3. Tilt the Pee-Pod™ Collection Tray gently from side to side to spread the powder out in the bottom of the Pee-Pod™ Collection Tray.
4. Place the Pee-Pod™ Collection Tray into the Collection Bin of the Pet Toilet (**Fig. 3**). The Pet Toilet is now fully assembled.

Important: Dogs will not instinctively eliminate where they eat. Avoid placing the pet toilet where the dog is fed. The Pet Toilet is appropriate for indoor use and seasonal outdoor use. Avoid placing the Pet Toilet in a place that is subject to extreme temperatures or prolonged exposure to direct sunlight.

Training Your Dog to use the Pet Toilet

Dogs instinctively urinate where they smell urine. You can collect their urine and pour it on the Synthetic Grass to encourage them to use the Pet Toilet. You can also purchase Skip to My Loo™ Attractant and Toilet Training Aid online at www.petsafe.net or by contacting the Customer Care Centre.

- Place your dog on the Pet Toilet when it is most likely that he needs to urinate or defecate. Pets tend to need to toilet after sleeping, eating, or playing.
- Have your dog remain on the Pet Toilet until he relieves himself. Create a command for urinating by saying the command as your dog urinates. Then, wherever you want them to urinate, you can say the command and the dog will know what you expect of him.
- Praise and/or give your dog a treat when he uses the Pet Toilet.
- Do not allow your dog to lay or sleep on the Pet Toilet.

Care and Cleaning

The Pet Toilet Synthetic Grass is designed to replicate a real grass environment for your pet. The Pet Toilet Synthetic Grass does not have a finished edge as it would be a trap for urine and faeces. It is normal for the Synthetic Grass to shed, just as new carpet would with wear. Replacement Grass will be required over time.

To extend the life of the product:

- Wee Care™ Pet Toilet Cleanser is the only recommended product for cleaning the Pet Toilet.
- Do not use chemical cleaners or bleach.
- Do not use cleaners or any other product that contain citrus.

Cleaning the Pet Toilet:

- **Daily:** Pour warm water over the grass to flush out any excess urine.
- **2-3 times a week:** Spray Wee Care™ Pet Toilet Cleanser on the Pet Toilet and grass. Let air dry.
- **Weekly:** Thoroughly spray the entire Pet Toilet with Wee Care™ Pet Toilet Cleanser and leave for 5-10 minutes. Remove the grass by lifting the top of each Grass Holder Clip out of the grass and the bottom of each clip from the frame of the Pet Toilet. Rinse the entire unit with warm water until rinse water is clear.

NOTICE Do not rinse with boiling water. Use only warm tap water.

Replacement or extra grass can be purchased by visiting our website at www.petsafe.net or contacting our Customer Care Centre. With two grasses on hand, you can always have a clean, dry grass available for your pet while the other dries.

Changing the Pee-Pod™ Collection Tray:

- The Collection Tray should be changed every 1-2 days.
- To dispose of properly, place Pee-Pod™ Collection Tray and its contents into your regular rubbish bin. Disposing of Wee Sponge™ Urine Absorption Powder in a sink or toilet could result in clogged plumbing pipes.

Accessories

Warranty

Two Year Non-Transferrable Limited Warranty

This Product has the benefit of a limited manufacturer's warranty. Complete details of the warranty applicable to this Product and its terms can be found at www.petsafe.net and/ or are available by contacting your local Customer Care Centre.

- Radio Systems PetSafe Europe Ltd., 2nd Floor, Elgee Building, Market Square, Dundalk, Co. Louth, Ireland
- Radio Systems Corporation, 10427 PetSafe Way, Knoxville, TN 37932 USA

Australia/New Zealand – In compliance with the Australian Consumer Law, Warranties Against Defects, effective January 1, 2012, warranty details of this Product are as follows:

Two Year Non-Transferrable Limited Warranty

What is covered: Radio Systems Australia Pty Ltd (hereinafter referred to as "Radio Systems") warrants to the original retail purchaser, and not any other purchaser or subsequent owner, that its Product, when subject to normal and proper residential use, will be free from defects in material or workmanship for a period of two (2) years from the purchase date. An "original retail consumer purchaser" is a person or entity who originally purchases the Product, or a gift recipient of a new Product that is unopened and in its original packaging. When serviced by Radio Systems Customer Service, Radio Systems covers labour and parts for the first two years of ownership; after the first two years, a service or upgrade charge will apply relative to replacement of the Product with new or refurbished items at Radio Systems' sole discretion.

The limited warranty is non-transferrable and shall automatically terminate if the original retail consumer purchaser resells the Radio Systems Product or transfers the property on which the Radio Systems Product is installed. This Limited Warranty excludes accidental damage due to dog chews; lightning damage; or neglect, alteration, and misuse. Consumers who purchase products outside of Australia, New Zealand, or from an unauthorised dealer will need to return the Product to the original place of purchase for any warranty issues.

Please note that Radio Systems does not provide refunds, replacements, or upgrades for change of mind, or for any other reason outside of these Warranty terms.

Claims Procedure:

Any claim made under this Warranty should be made directly to Radio Systems Australia Pty Ltd. Customer Care Centre at:

Radio Systems Australia Pty Ltd.
PO Box 765, Mudgeeraba QLD 4213
Australia Residents: 1800 786 608
New Zealand Residents: 0800 543 054
Email: info@petsafeaustralia.com.au

To file a claim, a proof of purchase must be provided. Without a proof of purchase, Radio Systems will not repair or replace faulty components. Radio Systems requests the Consumer to contact the Radio Systems Customer Care Centre to obtain a Warranty Return number, prior to sending the Product. Failure to do so may delay in the repair or replacement of the Product.

If the Product is deemed to be faulty within 30 days from date of original purchase, Radio Systems will organise for a replacement to be sent in advance of returning the faulty Product. A Post Bag will be included with the replacement Product for the return of the faulty Product. The Product must be returned within 7 days of receiving the replacement. If the Product is deemed to be faulty after 30 days from the date of original purchase, the consumer will be required to return the Product to Radio Systems at the consumer's own expense. Radio Systems will test and replace the faulty unit or its components and return to the consumer free of charge, provided the Product is within its said warranty period. This warranty is in addition to other rights and remedies available to you under the law. Radio Systems goods come with guarantees that cannot be excluded under the Australia Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Should you have any queries or require any further information, please contact our Customer Care Centre on 1800 786 608 (Australia) or 0800 543 054 (New Zealand).

Terms of Use and Limitation of Liability

1. **Terms of Use**

Use of this Product is subject to your acceptance without modification of the terms, conditions and notices contained herein. Use of this Product implies acceptance of all such terms, conditions and notices. If you do not wish to accept these terms, conditions, and notices, please return the Product, unused, in its original packaging and at your own cost and risk to the relevant Customer Care Centre together with proof of purchase for a full refund.

2. **Proper Use**

If you are unsure whether this Product is appropriate for your pet, please consult your veterinarian or certified trainer prior to use. Proper use includes, without limitation, reviewing the entire Operating Guide and any specific safety statements.

3. **No Unlawful or Prohibited Use**

This Product is designed for use with pets only. Using this Product in a way that is not intended could result in violation of Federal, State or local laws.

4. **Limitation of Liability**

In no event shall Radio Systems Corporation or any of its associated companies be liable for (i) any indirect, punitive, incidental, special or consequential damage and/or (ii) any loss or damages whatsoever arising out of or connected with the misuse of this Product. The Purchaser assumes all risks and liability from the use of this Product to the fullest extent permissible by law. For the avoidance of doubt, nothing in this clause 4 shall limit Radio Systems Corporation's liability for human death or personal injury or fraud or fraudulent misrepresentation.

5. **Modification of Terms and Conditions**

Radio Systems Corporation reserves the right to change the terms, conditions and notices governing this Product from time to time. If such changes have been notified to you prior to your use of this Product, they shall be binding on you as if incorporated herein.
