

Menforsan Natural Antiparasitic Collar for Cats – 33 cm

PACKAGE CONTENTS:

- 1x anti-parasite collar for cats
- Length: 33 cm (adjustable, for cats of all breeds and sizes)

PRODUCT DESCRIPTION:

Menforsan natural antiparasitic collar for cats is an effective solution for protection against fleas, ticks, and other external parasites. The collar is infused with natural ingredients that repel parasites and protect your cat without the use of chemical insecticides.

INSTRUCTIONS FOR USE:

1. Remove the collar from the packaging.
2. Adjust the length of the collar so that it fits comfortably around your cat's neck but is not too tight.
3. Put on the collar and cut off the excess end.
4. The collar will start working approximately 24 hours after application.
5. The recommended period of use of the collar is up to 3 months.
6. Avoid frequent contact with water while wearing the collar (for example, when bathing your cat).

NOTICE:

- For cats only
- Not suitable for kittens under 1 month old
- Do not use on animals with skin injuries or allergies to any of the ingredients.
- Keep out of reach of children.
- Wash your hands after handling.
- Do not use simultaneously with other antiparasitic drugs.

COMPOSITION:

- Geraniol, margosa, lavender oil, plastic polymer carrier
