GET IT ON
Google Play

Download on the
App Store

1. DOWNLOAD THE APP AND ACTIVATE THE COLLAR

Download the **Pet Tracker app** for Android or iOS to your phone.

Sign up and activate your DOG GPS ultra collar in the Pet Tracker app. Enter the **ID number and PIN 1** listed on the label inside the box.

DOG GPS ultra

ID: 12345678

PIN 1: 1A2B3C

PIN 2: 1234

2. PAY

Subscribe to the plan directly in the app.

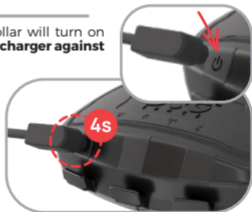

After registering the collar and paying the subscription fee, check the collar software needs to be updated, update if necessary.

3. TURN ON THE COLLAR

Charge the collar; see Chapter 4 - the collar will turn on automatically, **or turn it on by placing the charger against the collar.**

- Place the edge of the charger against the  symbol marked on the collar for approximately **4 seconds**.
- When turning on, the  indicator lights up, followed by the  indicator, and an ascending melody sounds. You can also turn the collar off this way.
- When turning off, the  indicator lights will illuminate, followed by the  indicator light, and a descending melody will sound.

4. CHARGE THE COLLAR

Attach the charging clip to the collar. The built-in magnets will automatically snap into place.

- When the charger is connected, you will hear an audible signal, and the status LEDs will display the current battery level.
- During charging, the status LEDs will pulse  depending on the charge level. Once the battery is fully charged, the LEDs will stop pulsing .
- Charging time is approximately 2 hours.

Battery status					< 100 %
					< 75 %
					< 50 %
					< 25 %
	 - flashes				< 15 %

Device status				
	 Plugged in	 Accurate GPS	×	 Bluetooth ON
	 No network	 No GPS	×	 Bluetooth OFF
	 Unknown status	 Unknown status	×	

5. PUT A COLLAR

Attach the DOG GPS ultra to your dog's collar using the silicone clip.
