## Safety Precautions

\*Failure to adhere to the following terms may result in improper functioning of the product or other unforeseen losses:

- Please strictly adhere to the installation and usage instructions provided for this equipment.
- Avoid directly rinsing the main unit with water as it contains electronic components, which may lead to short circuits or device damage.
- When using the product charger or charging cable, ensure that pets do not chew on the cable to prevent electric shock.
- Avoid exerting excessive force on the power cable to prevent damage.
- Promptly clean the air inlet grille if it becomes covered with dust or hair before use.
- Only authorized maintenance personnel should repair this product to prevent potential accidents.
- If children are operating the product, ensure they are under adult supervision.
- Pay close attention to the voltage range when activating the power supply and promptly turn off the machine when not in use.
- In case of any issues with product usage, please contact customer service promptly.

## After-sales Service

### Warranty Regulations

You are entitled to a 1-year product warranty service from the date of purchase, provided that you can provide proof of purchase, for any product performance failures not caused by human factors, excluding consumables.

### Non-warranty Regulations

The following cases (but not limited to) are not covered by the warranty:

- Lack of a warranty certificate, missing valid invoice, or expiry of the warranty service period.
- Failure to adhere to user manual requirements, maintenance, storage, resulting in damage.
- Damage caused by fire, lightning, floods, or other force majeure events.
- Mismatch between the product model or number on the warranty card and the actual product.
- Damage caused by disassembly and repair by unauthorized service providers.
- Normal fading, wear and tear, and consumption during product use, which are not considered warranty failures.
- Product use in non-compliant geographic areas, leading to poor product function not covered under warranty.
- Unless otherwise stated, the boxes, gifts and other consumables are not covered under warranty.
