Introduction

● Bark Collar Components

www.electric-collars.com / www.reedog.eu

Introduction

● 2 Working Modes

● 2 Basic Training Methods

● Trigger Methods

www.electric-collars.com / www.reedog.eu

How Does the Device Work?

● Training Mode

● Single Method Execution Order

* This means that sound and vibration do not happen simultaneously during barking. First, your dog will hear the sound, then vibration will occur.

www.electric-collars.com / www.reedog.eu

How Does the Device Work?

● Training Methods Combination

* For protection, there is a 1 minute pause after 7 triggers, regardless if the dog is still barking.
