

## Menforsan Antiparasitic Luminescent Collar for Dogs – 57 cm

### PACKAGE CONTENTS:

- 1x anti-parasite collar
- Length: 57 cm (adjustable, for medium and large dogs)
- Color: green with luminescent effect

### PRODUCT DESCRIPTION:

Menforsan anti-parasite collar for dogs with a luminescent effect provides long-term protection against fleas, ticks, mosquitoes, and other external parasites.

The collar is infused with natural repellent substances and also glows in the dark, increasing the dog's visibility and safety during evening walks.

### INSTRUCTIONS FOR USE:

1. Remove the collar from the packaging and shake it lightly.
2. Place the collar around your dog's neck and adjust the length so that it is not too loose or too tight.  
(Leave a gap of two fingers.).
3. Cut off the excess end.
4. The collar begins to work approximately 24 hours after application.
5. The recommended period of use is up to 3 months.

### NOTICE:

- For dogs only
- Not suitable for puppies under 3 months old
- Do not use on animals with skin injuries or allergies to any of the ingredients.
- Keep out of reach of children.
- Wash your hands after handling.
- Do not use simultaneously with other antiparasitic drugs.

### COMPOSITION:

- Margosa (neem tree extract)
- Luminescent dye (non-toxic)
- Plastic polymer carrier
